**Instructions: \* Indicates a required field**

Send the completed form to [service@rikett.net](mailto:service@rikett.net). Provide any additional information in your cover email, if needed. Warranty Registrations will be recorded received as of the date and time of your email timestamp. Incomplete forms will not be recorded and will be returned for completion. A Registration Number will be assigned to a completed Registration Form and the Warranty Acknowledgment will be returned to the registrant. Retain a copy for your files.

Warranty Registration Forms are valid for 60 days from the date of Rikett's invoice and expire automatically if not submitted in time. Failure to submit on time voids the Warranty.
